

## **Guilherme Pimenta 4tet**

Led by the violinist Guilherme Pimenta, this project gathers influences from each of these four creative musicians to blend Latin styles such as Choro, Forró and Bolero with Traditional and Contemporary Jazz. With **Daniel Ganc** on acoustic guitar, **Pablo Arruda** on bass and **Lourenço Vasconcellos** on drums, the Guilherme Pimenta quartet brings to the stage a fusion that expands today's musical universe and also provides a "dancing experience" to the audience. The group released their first EP, called "Violino na Roda" in 2018 and since then, they have been playing in several stages.
